Dear Parish Clerk,

Rosefield Solar Farm: we will soon be consulting on our updated proposals

I am writing to let you know that we will shortly be consulting on our updated proposals for Rosefield Solar Farm. Our second stage of consultation will run for eight weeks from Wednesday 18 September – Thursday 14 November 2024. The feedback we receive at this stage will help us further refine the proposals ahead of submitting a Development Consent Order application.

We will be holding a preview of our public exhibition for local elected representatives on:

- **Thursday 3 October (1pm-2pm) at Calvert Green Village Hall and Brickworx Bar, Cotswolds Way, Calvert MK18 2FJ**

We would like to invite a representative of Granborough Parish Council to this session to meet the project team and ask questions, ahead of the public opening later that afternoon.

If a representative of Granborough Parish Council is unable to attend this preview session, please do get in touch so we can arrange a time at the start of the consultation to brief you on our updated proposals.

We are grateful to everyone who shared their views on our early plans during the initial stage of consultation in 2023. The feedback we received, along with the outputs of our early environmental assessments and technical work, has helped us shape our updated proposals. Changes include further offsets from homes and Botolph Claydon, proposals for new planting, as well as a significant reduction in the size of the area proposed for solar panels.

We have consulted with the local authorities on our approach to the next stage of consultation, which is a 'statutory consultation' that must be carried out in line with the formal requirements of the Planning Act 2008. We have published a Statement of Community Consultation (SoCC) which sets out how we will consult with the local community and stakeholders. Copies of the SoCC are available at the below locations, on request and can be downloaded from our website.

All our consultation documents will be available to view on our website (www.rosefieldsolarfarm.co.uk) from the start of the consultation period as well as in printed format at the following locations (please check opening hours before you travel):

- East and Botolph Claydon Village Hall, Botyl Road, Botolph Claydon
- Winslow Community Library, Park Rd, Winslow

You are also welcome to attend any of our public events, which will take place at the following times and locations:

- **Thursday 3 October between 2pm-6pm**
Calvert Green Village Hall and Brickworx Bar, Cotswolds Way, Calvert MK18 2FJ
- **Friday 4 October between 4pm-8pm**
East and Botolph Claydon Village Hall, Botyl Rd, Botolph Claydon MK18 2LR
- **Saturday 5 October between 10am-2pm**
Quainton Memorial Hall, Station Rd, Quainton HP22 4BW
- **Friday 18 October between 3.30pm-8pm**
Steeple Claydon Village Hall, 48 Queen Catherine Rd, Steeple Claydon MK18 2PY
- **Saturday 19 October between 10am-2pm**
Quainton Memorial Hall, Station Rd, Quainton HP22 4BW

Please find attached our newsletter, which includes further information about the consultation. Please feel free to share this on your website or social media to help promote the consultation to the local community.

For further information, or to arrange a briefing, please contact us on 0800 8611097 (Monday to Friday 9am – 5.30pm) or email info@rosefieldsolarfarm.co.uk.

Yours sincerely,
